(c) the steps taken by the Government to clear the backlog?

Answer

MINISTER OF LABOUR (SHRI SHARAD YADAV)

a) Available information relating to number of educated, uneducated, handicapped, men and women, SCs, STs and OBC job-seekers, all of whom are not necessarily unemployed, who were on the Live Register of employment exchanges as at the end of 1997, 1998 and 1999 is furnished in Annexures I, II & III respectively.

b) Number of placement effected by the employment exchanges each year during the period 1997, 1998 & 1999 is furnished in Annexure IV, V and VI respectively.

c) The approach to the Tenth Plan focusses on providing gainful high quality employment to the additions to the labour force and it is listed as one of the monitorable objectives for the 10th Plan and beyond. The growth strategy of the 10th Plan would lay emphasis on rapid growth of those sectors which are likely to create high quality employment opportunities and deal with the policy constraints which discourage growth of employment. Particular attention would be paid to the policy environment influencing a wide range of economic activities which have a large employment potential.
